Welcome to A2A – Astronomy to Astrology!

Welcome to A2A – Astronomy to Astrology! For centuries, people have blurred the lines between astronomy, the science of the universe, and astrology, the art of interpreting celestial influence. A2A exists to clear up the confusion and provide a space for anyone curious about either subject. Whether you're fascinated by what the constellations might say about you or eager to explore the vastness of the cosmos, this site is your guide. Take your time, dive in, and enjoy the journey through the stars!
